The News in Brief

BUS TOUR—Albany's Senior Citizens took another bus excursion last Thursday—this time to John Muir Woods and other points of interest in Marin County. They took the Richmond Ferry route over and returned via the Golden Gate Bridge. About 40 members of the "over 50" group participated in the all-day outing, which was organized by their director, Annabelle Denham of the Senior Citizens Club. The club members have also extended "thanks" to G. D. Gaeta, local contractor and builder, who has donated \$25 to the Senior Center Fund.

IT'S A GIRL—Kathleen Marie, the name given to a daughter born July 19 to Mr. and Mrs. Frank Meads of 807 Evelyn Ave., weighed in at 7 pounds 13 1/2 ounces. Her parents are graduates of Albany High School. "Pop" is a salesman at the Bay Chevrolet Co. The maternal grandparents are Mr. and Mrs. "Skip" Young of Lafayette, and the paternal grandparents are Mr. and Mrs. Harry A. Meads of Berkeley, near Albany residents for 20 years.

PARKING LOT—Bob and Elm Jones, co-owners of the G & S (but are not related) has had a parking lot for the convenience of customers at the rear of the food emporium at San Pablo and Garfield Aves. They also have delivery service for those who wish to order by phone.

ENGAGED—Dorothy Ramsey of Albany to John Gehling of Albany. Both are graduate accounting students at Armstrong College in Berkeley, where the future Mrs. Gehling is also on the faculty. She is the daughter of W. L. Ramsey, 32 Fresno Ave., and John is the son of Mrs. Ethel M. Gehling, 1502 Sonoma Ave. He served 10 years in the Navy and recently returned to school to complete master's degree after visiting relatives in Australia. His bride-to-be was graduated with the class of 1954 with Cum Laude honors that her membership into Sigma Chi Honor Society. John is serving as manager of the book store.

TO FAR EAST—John E. McConnell, seaman, USN, son of Mr. and Mrs. Edward T. McConnell of 1053 Curtis St., is serving aboard the heavy cruiser USS St. Paul, which recently returned to the Far Eastern waters to begin her fourth tour of duty since the outbreak of hostilities in Korea. During her three Korean combat cruises the St. Paul ranged the length of Korea's East and West coasts and participated in the Hungnam and Wonsan evacuations. Her duties varied from giving direct gunfire support to UN's front line troops to the destruction of Red supply lines and bases.

TWO ALBANY Marine Corps Reservists, Reynold Foss of 1492 Marin Ave. and David Schiller of 1130 Cornell Ave., recently participated in two weeks' annual field training with the Sixth Signal Co., USMCR of Alameda, at the Naval Amphibious Base at Coronado.

MARRIED—Santa Barbara was the honeymoon destination for Mr. and Mrs. David William Leslie (Grace Edna Thielacker), who recited their vows at a nuptial mass last Sunday afternoon at St. Ambrose's Church. A reception followed at the Town and Gown Club in Berkeley. The bride, daughter of Mrs. Marie J. Thielacker of 710 Cornell Ave., was given in marriage by her brother, William. Leslie is the son of Mrs. Ora R. Leslie of Berkeley, and attended Watsonville High School and the University of California where he studied engineering. Later a Navy flight engineer, he is now engineer for the City of Oakland.

EXTENDED RUN—Good news for all Straw Hat Revue fans is the announcement that the run of "Small World, Small Wonder," playing nightly except Mondays at 8:30 p.m. at the Lafayette Town Hall, has been extended through September 5. The Strawhatters will not play anywhere this fall because of the projected reorganization and expansion of the Straw Hat Theatre.

St. Alban's Topic

Richard F. Neal, seminarian at the Church Divinity School of the Pacific will speak on "The Chastening Hand" at the 11 a.m. service of morning prayer Sunday at St. Alban's Episcopal Church. A coffee hour will follow. Rev. T. Gordon Luke will officiate at the 7:30 a.m. service of Holy Communion.

Race Track Golf Course Sets Opening

Golden Gate Fields' nine-hole golf course will be ready for play sometime during the middle of August, General Manager Charles E. Coughlin announced today.

With construction under way of the pro shop, which will adjoin the totalisator board across the finish line from the grandstand, Coughlin said work to place the spectacular course in readiness for public use should be completed "within the next three weeks." The fairways and greens are in and "almost ready," he said.

The golf lay-out is located in the 36-acre infield at the track and includes a driving range and a large practice putting green. The course itself will measure 1803 yards in length, with a par of 28. All the greens, Coughlin emphasized, are of championship size.

The race track intends to operate the golf course as a community facility, available to organizations and individuals during the non-racing seasons. Coughlin said that the course will be open this year from mid-August until shortly before the racing meeting gets underway on November 1, and will reopen after it ends on December 18.

Albany Woman Heads R'Cross Motor Service

The appointment of Mrs. William Gerritt Orton of 916 Ventura Ave. as chairman of motor service of Berkeley Red Cross was announced today by Mrs. Frank Kleiberger, chapter chairman.

In accepting the appointment, Mrs. Orton returns to a familiar field of Red Cross work for it was she who originally organized the motor service of the chapter in 1923 at the time of the devastating Berkeley fire. Her Red Cross activities, however, began long before that date.

During World War I she was inspector of knitting of the local chapter and in 1918 during the influenza epidemic she did volunteer nursing 12 hours a day.

In 1928 Mrs. Orton received her life-saving and first aid certificates and in 1930 was appointed life-saving examiner and manager of the pool at the Berkeley Women's City Club. In April of that year she joined the Pacific Area staff of the National Red Cross in San Francisco, acting as supervisor of the mail room and duplicating department.

Last October the Albany woman formally retired, prepared to take a rest from active duties, but the local Red Cross asked her for help.

The motor service which she now heads, succeeding Mrs. Sam Hall, who resigned June 1, is no longer the small group of owner-driven vehicles of the early days. The chapter now possesses six station wagons with a corps of 50 men and women volunteer drivers. They are on call day and night for such assignments as taking patients to

PTA Council Names New Committee Heads

Mrs. John L. Amos Jr., newly installed president of the Berkeley-Albany Council of PTAs, today has announced her chairmen to serve with the elected officers on the executive board for the coming year.

Under Mrs. Clayton Kempf, director of student health and welfare, will be Mrs. Reeve Griffin, chairman for the clothing room. Assisting her will be Mrs. Y. Demoto and Mrs. Carl Sandner, along with Mrs. John Gavey, health, and Mrs. Ella Wolin, mental health.

Mrs. C. R. Quick will direct the department of organization and extension, with the following chairmen under her direction: Mrs. Leslie Stanley, Founders' Day; Mrs. T. C. Faminiski, co-chairman; Mrs. Jack H. Spann, honorary life membership; Mrs. J. A. Jeanne, magazines; Mrs. Edwin Milu, membership; Mrs. Edward Slier, programs, and Mrs. Frank Hansen, publications and emblems.

Under the department of public welfare will be Mrs. Charles Keppe, citizen and international relations; Mrs. Etta Berkley, juvenile protection; Mrs. Otto Heck, recreation; Mrs. A. B. Manesfield, visual aid and motion pictures.

Principal Charles Reed of Vista School will be the director of the department of education, with Mrs. George Donaldson, exceptional child chairman; Mrs. Elmer Rinta, music; Mrs. A. F. Fawkes and Mrs. Maurice Giles, PTA symphony co-chairmen; Mrs. William C. McCoy, radio and television, and Mrs. Leslie Burman and Dr. Clifford (Continued on page two)

Lindberg's Feature Scandinavian Imports

"The most unusual shop I've ever seen" is a frequent comment of visitors to Lindberg's Scandinavian Import shop at the corner of Solano Ave. and Key Route Blvd., according to Harold and Helen Lindberg, owners.

Described as one of the most unique shops in the Bay Area with imports from Denmark, Finland, Norway and Sweden, visitors will find both the traditional and contemporary Dux furniture, Orrefors and Kosta crystal. Other fine imports include Genesee stainless steel, ceramics and dinnerware from each of the four countries, Solje jewelry, Royal Copenhagen figurines and year plates from Denmark, along with hundreds of distinctive home accessories and fine gifts, and a "stabbur" filled with fine imported foods, all Scandinavian, of course.

It has long been a well known fact that Scandinavian design means good design and superior workmanship.

Your inspection of these exclusive items is invited daily and from 7 to 9 Tuesday and Thursday evenings.

military hospitals in the area; driving hospitalized service men and veterans on outings; polio patients to clinics for therapy and blind people to their recreation centers. Mrs. Orton will be assisted in her new duties by Mrs. Harper Goodspeed, Mrs. Reynolds Foss and Mrs. Hal O'Flaherty.

Big Bowling Tournament Starts Sat.

The most heavily guaranteed singles handicap tournaments in the history of Northern California gets under way this Saturday at Albany Bowl and at the Pacific Bowl in Oakland.

Some \$7000 worth of guarantees including a new Ford Crestline sedan goes on the line for an estimated 2000 bowlers competing at the two bowling establishments, according to Frank Lacy, manager of Albany Bowl.

Both houses besides having the automatic pinspotters will have its own guaranteed prize list, but it is the All-Events (combined score of both houses). Prizes which are expected to constitute the biggest lure to men and women tournament bowlers. The Ford sedan is for the first place in All-Events and the second prize of \$500 is also an all-events award, Lacy said.

Anyone with an ABC (American Bowling Congress) or WBC (Women's International Bowling Congress) league average is eligible to compete. The event is handicapped 2/3 from 200 scratch for the men and 75 per cent of 200 for the women. The edge in handicap for the weaker sex should stimulate entries of women although there are many extra prizes for them as well as for the open bowler (small handicap if any).

The entry fee in each establishment is \$10 and the competition consists of six games rolled across 12 lanes. Top prize at each establishment is \$400 and the guaranteed prize money goes as far down as 55th place.

This big event was planned for last year but the total destruction by fire of Pacific Bowl resulted in its postponement until this year. It has been long awaited by the bowlers of Northern California and they have responded with an almost unprecedented number of advanced

Merchants Protest Solano Parking Plan

Reach for Radio, Not Phone, When CD Sirens Sound

"Reach for your radio instead of your phone" should be the watchword when Albany's Civil Defense attack warning sirens sound, Director Gerald Browne pointed out today.

The sirens sounding the red alert or all clear signal as part of the regular monthly statewide test of warning equipment to ensure its proper mechanical functioning is also a drill to familiarize the public with the characteristics of the signal.

"Every time we conduct these tests," Browne said, "police, fire and civil defense phones receive calls inquiring why the sirens are sounding. In an actual emergency, this would seriously hamper protective services by overloading vital communication facilities. It is one thing we ask people not to do. In the event of an actual alert, broadcast radio stations would immediately go into the Conelrad System and home radios would carry Civil Defense instructions and information by turning the dial to either 640 or 1240.

The next monthly test will be at 10 a.m., August 30.

Miss Hanahan Readies Gala Tour of Europe

Anticipating experiences which might be found in a modern version of "Our Hearts Were Young and Gay" are Miss Audrey Hanahan of Albany and Miss Jean Harrington of San Francisco, who will enplane Sunday for New York where they will embark on a two months' tour of Europe.

A round of bon voyage parties honoring the young travelers have been held during the past weeks, with the grand send-off scheduled aboard the Massadon luxury liner in New York on August 3.

Their itinerary calls for visits to points of interest in France, Italy, Switzerland, Germany, Holland, Ireland and England, where they will sail for the States on October 1.

The daughter of Mr. and Mrs. Edmund Hanahan of 844 Ramona Ave., Audrey attended Albany High School and Armstrong's College in Berkeley. Her mother is a past president of Albany Unit No. 292, American Legion Auxiliary and was recently installed as 10th District president.

Jean is the daughter of Ray Harrington of San Francisco, who plays with the Curran Theatre Orchestra. Both Jean and Audrey are active in the Berkeley Ski Club and are former employees of the Weyerhaeuser Steamship Co. in San Francisco.

reservations. The event will be managed by Bill McGowan and Bob Wild of "300" Publishing Co., San Francisco.

Council Orders Stricter Laws for Pigeons, Ducks

The Solano Ave. Merchants' Association today has protested to the City Council a proposed plan to change all parking spaces on the north side of Solano Ave. from diagonal to parallel.

The protest was registered in a letter to the Council Monday night from the Association, which stated that members

"are very much opposed to any changes in the parking system on Solano Ave. at the present time."

The letter, signed by Mrs. Kathleen Fritz, president of the group pointed out that the merchants were particularly unhappy about the loss of parking spaces that would result from the change.

The proposed change in the parking system recommended by Police Chief Ralph Jensen, along with the merchants' letter of protest, was referred to the city Traffic and Safety Commission for further study.

Councilman Jerome Blank said that he was "unalterably opposed" to any change from diagonal to parallel parking. He added that there are already "too many red ducks and large driveways" on Solano Ave. and that "I can't see how we can cut down on parking spaces any more."

In other action, the Council instructed, City Atty. Robert Foley to draft an amendment to the existing ordinance governing the keeping of poultry at private dwellings within the city limits.

Action came as the result of a letter from C. F. Wyant, of 1311 Dartmouth St., which described ducks kept by a neighbor of his on Pomona Ave. as "dirty and attractive."

A request made by the East Bay Labor Journal asking the city to place an advertisement of greetings in the Labor Day edition of the paper was referred to the Albany Chamber of Commerce.

In other action, the Council approved the continuation of a contract between Albany and Berkeley for a supervised recreation program at Codornices Village; and a resolution citing opposition to city council members being included under the Federal old age survivors' insurance program was adopted.

Albany VFW to Induct Recruits

Albany Post 2658, VFW will initiate a sizeable group of overseas veterans into the order at a meeting scheduled for Tuesday, 8 p.m. at the Veterans Memorial Building.

The new recruits will go through the colorful long-form initiation rites, which will be followed by a spaghetti dinner and other refreshments.

The Post is actively seeking new members and has extended an invitation to all interested veterans with foreign service to attend, or contact Commander Dick Glotch or Quartermaster Lavern Anderson at the Memorial Building.

The General Motors fire at Livonia, Michigan, last summer put 23,000 men out of work, caused a drop in community tax revenue of nearly \$250,000, and a drop in retail sales for the city of about 65 per cent.

BLUE BONNET?**

Mrs. Richard Arlen, wife of the well-known movie star, loves the outdoor sun and sports of Sherman Oaks, Calif.

"I'll take smooth-spreading BLUE BONNET every time! After struggling with other spreads that tear the bread, it's a delight to find one that spreads so smooth and easy—right out of the refrigerator! I insist on BLUE BONNET for sunny-sweet Flavor, extra Nutrition and Economy, too!"

Palsy Drive Nets \$11,528.90

Alameda County contributed a total of \$86,021.44 to the first full scale "Parade for Cerebral Palsy," officials of the United Cerebral Palsy Association, announced today.
The Berkeley-Albany area donated a total of \$11,528.90 to the drive under chairmanship of Robert S. Barkell, according to Dist. Atty. J. Frank Coakley, general chairman.
Of the \$11,528.90, Berkeley's drive headed by Mrs. Roy Poulson, raised \$9733.82, and Albany's drive, led by City Atty. Robert J. Foley, raised \$1795.08, Coakley said.
"We wish to extend our sincere thanks to the public for their generous contributions and to the nearly 5000 volunteer workers for their splendid efforts during the drive," Coakley added.
"It is deeply gratifying to know that a warm-hearted public is willing to help those with cerebral palsy on the road to rehabilitation and a useful life," said Coakley.
The June 4 neighborhood march was the only solicitation of funds by the association this year in the county. Proceeds from the drive will be used to support the group's year-round program and to aid construction of the Cerebral Palsy Center. Work preparing the site for the center is now under way.
On announcing results of the drive, officials said that some late contributions are still being received at the CP headquarters.

HEALTH HORIZONS

Getting Your Child To Sleep

What do you do when your youngster raises a fuss about going to bed? If you've "tried everything," and it's still a nightly ordeal, perhaps some suggestions from Dr. Morris Witkins of Edinburgh can help solve your problem.
First of all, it is "ruinous" to discuss your child's "sleep problems" in front of him. "Every child loves the limelight and nothing puts him into prominence more than when he is the chief topic of conversation." Instead, you "must pretend that his disturbing conduct is a matter of no importance." In other words, if you don't make a fuss, your child may quickly reach the conclusion that it's not worth the effort for him to fuss.

Firmness Plus Affection

If the simple "ignoring treatment" doesn't work, you will have to be more positive. "At bedtime the child is given a severe talking-to with strong emphasis that this bullying must cease forthwith. He is told . . . that this is the final warning and all further tomfoolery from him will be ignored and treated with contempt." This talk should not be angry but it must be firm. At the same time, you must make your child feel that "affection for him is in no way disturbed." Children often act "naughty" when they really want reassurance of your love. According to Dr. Witkin, "This serious talk works almost immediately in most cases—even from as early an age as 6 months. Once the child realizes the futility of resistance the battle is won." But you must be convincing, and stick to your

That doesn't mean that you must insist on a "set" hour for bed every night. "The human 'clock' does not necessarily synchronize with the clock on the wall. . . To insist on sleep where there is no desire is senseless for sleep will not be commanded." Children are very suggestive, though, and it may help to remark casually "that his eyes look tired, that he appears sleepy, and that he will very soon be fast asleep." Similarly, if sleeplessness has become a habit, you can help by "instilling faith and confidence in the child. . . The positive thought must be planted in the child's mind that every night there is an improvement. He will then endeavor to live up to his reputation and eventually graduate as a good sleeper," Dr. Witkin says.

Homes Needed For Guide Dogs

Some mighty fine, friendly little fellows at Guide Dogs for the Blind, Inc. need foster homes and will be ready for adoption about late September.
These furry German shepherd pups have long lines of aristocratic ancestry and parents who have demonstrated special characteristics that fit them for the role of leading the blind. But in order to become well adjusted animals and be successful at their predestined careers of serving the blind, they need to leave the kennels for about nine months and grow up in a family home where they'll get love and attention.
After the growing-up period, the school, which raises and trains dogs to guide blind persons, will take back the animals and start them on their worthwhile futures.
Often 4-H Club members who live in the country and have the necessary space for a lively dog to romp and play, help with this program. Other homes also are needed. The greater number of pups will be a few German shepherd puppies are immediately available, but are ready for adoption in the fall.

WHAT'S DOING

No extra charge for repair

Your telephone is
ruggedly built and
doesn't often need
repairs. In fact, it's
so easy to take care
of that about all you
have to do to it is
dust it once in a while
and see that its cords
don't get twisted.
But if it ever should
need fixing, please let
an expert from our
office do it for you.
After all, your tele-
phone is one thing in
your home that's re-
paired and main-
tained at no extra
charge to you. This
is one way we protect its usefulness to you . . .
keep, your telephone a real bargain in your
Pacific Telephone works to make your tel-
bigger value every day.

Two easy ways to enjoy even better telephone

First, when you have a series
of calls to make, it's a good
idea to take a few minutes
out between them, instead of
placing one right after the
other. By spacing your calls,
you'll give other people a
chance to get in touch with
you. And the calls you re-
ceive are often just as impor-
tant as the ones you make.
Second, before making a call,
please look up the number if
you're doubtful about it. By
using your directory, you'll
get the right number the first
time you call. Saves you time
in the long run. Pacific

EAST BAY PRODUCERS' MILK COUNCIL

Albany PTA Council to Sponsor Braille Class Again This Fall

Braille class which was given during the Albany Adult Education Center under the sponsorship of the Albany PTA Council of PTA, discontinued during the summer, but will again continue in the fall under Mrs. Elizabeth Phillips, librarian and teacher at the Albany School for the Blind.

There are many more blind and pre-school children in Albany today than there were ten years ago, and there is an increasing demand for Braille books for the pre-school children. The members of this class begin to learn Braille at this level and the project wherever the need arises.

One of the interesting features of this class is that it is made up of separate groups, purely by age. There are the members of the PTA, women from the community, and large and small groups of children.

The class was originally organized by George Donaldson, council chairman, and Richard Liebes, council chairman, with the Albany schools. Since this class has advanced to the point of transcribing, anyone interested in a beginners' class should contact the Albany Adult Education Center, and more groups can start in the fall.

ing to Mrs. W. B. Phillips, state exceptional child chairman this past year.

By special ruling of the Albany Board of Education, there is no registration fee for this class. "The board members and the Albany School Department are particularly happy to provide courses such as this," Mr. Robert Dennis, principal of the evening school said when explaining the board's action. "They benefit not only the students but the many sightless children, and are a real community service."

The class members are so enthusiastic, they have expressed a wish to go out to other groups in the community and tell them about their experience, and to point out the great need for more books in Braille. They would like to see more classes started, and more people aware of this area of need.

Since this class has advanced to the point of transcribing, anyone interested in a beginners' class should contact the Albany Adult Education Center, and more groups can start in the fall.

Live in Albany
WE HAVE a good selection of modern homes to choose from including the following:

1.—A MODERN 12-year-old California ranch style home, nicely decorated, with plank floors, tile kitchen, 2 bedrooms. In addition there's a spacious garage plus large workshop and utility room and new patio. Only \$2750 down will handle, with GI loan at 4% interest to be assumed.

2.—THIS modern English-style home is in beautiful condition throughout, containing 3 bedrooms, and many wonderful features such as excel. kitchen with breakfast bar, built-in cupboards, lovely plank floors. The home has been weatherstripped and rock-wool insulated, and is our candidate for best 3-bedroom buy in Albany at \$11,950.

3.—JUST LISTED—A neat medium sized 2 bedroom MacGregor home, best of cond., with new vertical blinds, in convenient location, only \$2850 down and assume loans.

A Challenging Thought!
HAS YOUR family grown, leaving you with a 2-bedroom home when only 1 bedroom is needed? Are you faced with retirement on just Social Security? This is an opportunity to exchange your 2 bedroom Albany home for a modern duplex, near Albany, with 4 rooms, 1 bedroom each side, large well kept garden, individual front entrances and rear yards. This will give you a home and added income not subject to Social Security limit on earnings. Call for information.
